SUPPORT PHILANTHROPY

Philanthropy Massachusetts serves as the voice of the philanthropic sector in Massachusetts. We connect with media and representatives at the local, city and state level. Your foundation may be a member of national associations and affinity groups but belonging to a regional association provides greater collaboration and strength in the philanthropic sector and our communities.

SUPPORT THE NONPROFIT SECTOR

Over 450 organizations are enrolled in our **Nonprofit Partners Program** and hundreds more take part in our Meet the Donors series, attend technical assistance and capacity building workshops, and get grants research through our **Foundation Center Directory Online** access and research assistance on fund development.
